30 years academic and teaching experience in architecture

9 years administration experience as Founding Head of Department

EDUCATION

- Post-Doc. Research, **Columbia University, GSAPP, 2001**
Gelassenheit and Architecture_An Inquiry into Design Education with Digital Technologies
- Ph.D. in Architectural Design, **Middle East Technical University, 1991-1999**
"Lines and Architectural Thinking: An Inquiry into the Nature of Architectural (Re)presentation"
- M.Arch in Architectural Design, **Middle East Technical University, 1989-1991**
- B.Arch in Architecture, **Middle East Technical University, 1985-1989**

RESEARCH AREAS and INTERESTS

- ontology, technology and philosophy; building on earth; architectural design + high-end design and fabrication technologies; integration of technologies to design education; design studios; first year design education; sustainable futures

ACADEMIC EXPERIENCE

- PennState University, Department of Architecture, **Adjunct Professor, 2022-2023**
- İstanbul Bilgi University, Department of Architecture, **Professor, First Year Studios Coordinator (whole faculty), 2015-present**
- İstanbul Bilgi University, Department of Architecture, **Founding Head of Department, First Year Studios Coordinator (whole faculty), 2011-2020**
- İstanbul Bilgi University, Department of Architecture, **Assoc.Prof.Dr., First Year Studios Co-Founder and Coordinator (whole faculty), 2011-2015.**
- Yıldız Technical University, Department of Architecture, **Asst.Prof.Dr., First Year Studio Coordinator, 2006-2011.**
- Middle East Technical University (METU), Faculty of Architecture, **Digital Design Studio Founder and Coordinator, 2003-2006.**
- METU, Department of Architecture, **Asst.Prof.Dr., 2002-2006.**
- METU, Department of Architecture, **Teaching Asst./Instr., 1992-2002.**
- MNG Computer and Software Co., **Software Expert and Instructor, 1990-1992.**

ADMINISTRATIVE DUTIES

- **Academic Board (University Senate), İstanbul Bilgi University, Selected Professor, 2015-2022**
- **Faculty Board, İstanbul Bilgi University, Faculty of Architecture, Selected Professor, 2011-2022**
- **Faculty Administration Board, İstanbul Bilgi University, Faculty of Architecture, Selected Professor, 2011-2020**
- **Faculty Advisory Board, İstanbul Bilgi University, Faculty of Architecture, Selected Professor, 2015-present**
- **Founding Head of Department, İstanbul Bilgi University, Faculty of Architecture, 2011-2020**
- **First Year Studios Co-Founder and Coordinator (whole faculty), 2011- present**

PROFESSIONAL ARCHITECTURAL PRACTICE

Design idea development, design and construction consultancy at Çinici Architects

<https://www.cinicimimarlik.com/>

Çinici Architects was founded by Altuğ and Behruz Çinici in Ankara in 1963 to realize the Middle East Technical University campus project and implementation. Companies From this date, education, and especially university structures, from housing to showing a wide area of activities ranging from various state structures, projects and implementation activities, as well as some construction techniques pioneered the practice in Turkey (bare-mixed concrete and precast concrete panel applications such as), has conducted competition projects and research studies.

Çinici Mimarlık office, which has taken a very important place in Turkish architecture for the last 35 years, is the recipient of important awards in national and international fields, including the Simavi foundation of 1985 and the İşbank awards of 1986, 1994 – 4. It is possible to count the National Architecture Award and the 1995 Ağa han Award given for the project and construction of the Grand National Mosque.
